High School Diplomas Regular.....	85	District Owned Operation	
Other Completions*	1		

* Certificates of Completion issued by the district

** Limited English Proficient (LEP)

Superintendent's Highlights

In August 2001, building administrators reviewed the District Strategic Plan. Building goals and action plans were developed which were in line with District goals. Key areas of focus continue to be instruction, technology, communication, and facilities.

The elementary school continued its effort with Idaho Reading Indicator (IRI) with positive results. Salmon students scored at or above state averages. Third grade reading scores on the ITBS increased to the 72nd percentile.

A new student management system was operational with all teachers, administrators, and secretaries receiving training.

Administrators and teachers continued an effort to increase information to the media and develop newsletters to increase communication.

The patrons passed a five year Plant Facilities levy for a multi building heating conversion and land acquisition. The last sawdust boiler was removed and replaced with a high efficiency propane system.

Progress Towards Meeting District Goals

2001-02 Goals

Progress

Student Achievement. The Salmon School District will develop a system to continuously improve achievement of all students to meet higher standards.

ITBS test results showed increased student performance in 7th to 9th grades tested. Greatest gains have been in the elementary grades and in reading scores.

Decrease Dropout Rates and Increase Average Attendance.

Student Average Daily Attendance increased.

Improve Student Readiness for Post-Secondary Education. The Salmon School district will develop a comprehensive system K to 12 to improve the readiness of graduates for post-secondary education, vocational training and/or employment.

Data will be available in building reports to the Board in August 2002.

Improve Stakeholder Satisfaction. Salmon School District will develop a system to continually improve the level of stakeholder satisfaction.

The District increased media coverage and designed building newsletters for parents.

Technology. The Salmon School District will continue to develop use of technology as an instructional and management tool.

Objectives met for 2001-02. Curriculum objectives are being met and staff has received training in Power School.

Write a High Performing School/District Grant Proposal.

No proposals have been funded to date; however, the District has joined in the Region VI Curriculum Consortium for the implementation of state standards and assessments.

Design a Long-Term (5 Year) Facilities Plan.

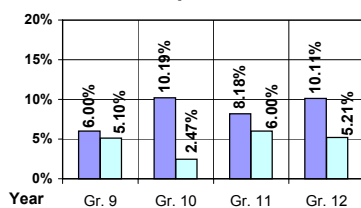

Goals met for 2001-02. A 5 Year Plant Facilities Levy was passed with excellent support. A heating conversion involving 2 schools was completed.
